‘Making Connections’

An interactive workshop with Peter Leidy, Stephen Hinkle and local guests.

Through real stories and music, Peter will explore the theme of connection, community life and relationships - how do we build and keep meaningful relationships with friends and family? What are the real barriers to connecting with each other in our community? This is an interactive workshop which aims to be informative, practical and fun.

5.00PM –

Time to continue the celebrations with each other and enjoy fabulous cocktail food, drinks and entertainment.
