# Great things about me!

## Gifts of the head

Knowledge, questions, experience, information I can contribute; figuring people out, organising and classifying things, travel routes, sports, news, fan information, gossip, local history, ability to spot a bargain, ability to debate, sales ability, creative thinking, math, solving puzzles, interests in politics, desire to think about big questions etc.

## Gifts of the heart

Interests, enthusiasms, personal passions and the rewards I bring to others; welcoming people, patience, courage, sensitivity to others, high energy, desire for order, ability to listen, passion for justice, love of nature, ability to draw others out, spiritual gifts, etc.

## Gifts of the body

Abilities, skills that I can contribute; recognising people, remembering names, dancing, fixing things, singing, typing, drawing, arranging things, using a computer, decorating, acting, composing, figuring things out, sewing, working hard using physical strength, ability to sign, speak or understand another language etc.
