Where to get help

There are people who can help you if you are being abused or neglected.

Abuse is when someone does or says things that:

- hurt you

- upset you

- scare you.

Neglect is when someone doesn't give you the help or support you need.

Types of abuse

There are different types of abuse.

Physical abuse is when someone hurts your body.

Emotional abuse is when someone makes you feel:

- sad
- scared
- not important.

Financial abuse is when someone takes or uses your money when you don't want them to.

Mate crime is when people you think are your friends take advantage of you.

Sexual abuse is when someone makes you do sexual things you:

- do not want to do

- are too young to do.

Discrimination is when people treat you unfairly because you are different from them.

Who can help you?

If abuse happens, it is important to speak out.
