

Step 3:

Business Plan

Easy Read

Small Business

Government of **Western Australia**
Department of **Communities**

These resources have been developed with support from the Small Business Development Corporation. This project is an NDIS Information, Linkages and Capacity Building (ILC) initiative.

How to use this document

WA's Individualised Services (WAiS) wrote this information. When you see the words 'we' or 'us', it means WAiS.

We have written this information in an easy to read way.

We use pictures to explain some ideas.

There are words you need to know and understand when you start a business.

Some words are written in **bold**.

We explain what these words mean.

There is a list of these words on page 34.

You can ask for help to read this information.

A friend, family member or support person may be able to help you.

 Costs to pay workers			
 Packaging			
 Other expenses			
TOTAL COGS	\$	\$	\$

Word List

Business advisor

A business advisor is a person who gives you information and advice to help your business become successful.

Domain

A domain is the address of a website.

Graphic design

Working with images and words to make them look good. For example, in a brochure.

Industry

An industry is the businesses that sell the same type of product or service.

Insurance

Insurance is a service you pay for to protect you if something goes wrong. If you have insurance and something goes wrong, your insurance company could pay the cost.

Leasing

Leasing is paying for something that you are using but do not own. You agree with the owner how much you will pay.

Licence

A licence is a document that says you can:

- own or use something
- do something, like drive a car, bus or truck.

When you start a business, there might be licences you need for the services you provide, such as:

- working with children
- serving alcohol.

Loan repayments

The regular amount you need to pay back when you borrow money.

Profit

The amount left when you take the cost of making the product or service from the sales.

Register and Registrations

When you register, you go on a list of people, businesses or companies that provide certain products or services.

Supplies

Supplies are things you need to have a product or service.
