

# Mapping my Community

This project is an NDIS Information, Linkages and Capacity Building (ILC) initiative. For more ILC events and resources please visit <http://www.disability.wa.gov.au/wa-ndis/wa-ndis/information-linkages-and-capacity-building/resources/>

**Places in my community**  
- where people come together with similar interests

**Roles where I could contribute, learn or be a member:** Where would my gifts be welcome?

**Who do we need to get started?**

**Myself**

**Support worker/service provider-**

**Parents/informal supporters**

**People in my community/ others**

**What do we need?**  
Identify any additional costs, supplies, equipment, supports, accessibility issues, subscriptions.

**Review: What worked?**  
What didn't? What were the barriers?

**Other things I would like to try, to be more involved with my community**
